

# Company Profile

# About Us

24Hour Aviation Hub Ltd is a leading logistics and aviation services provider based in Juba, South Sudan. Since 2019, we've delivered exceptional solutions in air charters, cargo transport, road logistics, and specialized car hire services.

We are proud to be at the heart of regional mobility—offering reliable, efficient, and flexible transport solutions backed by a client-first approach and deep industry knowledge. Whether it's a humanitarian mission, commercial freight, or premium car rental, we ensure every operation reflects professionalism, safety, and precision.

# Mission Vision

## ***Mission***

“ To be the premier class industry leader in aviation services with an emphasis on excellence in customer service and professionalism.

## ***Vision***

To offer standards of excellence, customer service and high quality transportation solutions both for safety and reliability

To provide our clients with impeccable services and products that meet superior standards.”

## ***Core Values***

Integrity | Reliability |  
Customer First | Innovation  
Professionalism | Discipline

# Our Services

## Aviation Services

- **Air Charter Services:** Private and commercial airlift for cargo and passengers
- **Cargo Consolidation:** Optimized cargo routing for cost-efficiency
- **Emergency Evacuations:** Rapid deployment for humanitarian and critical missions
- **Aviation Consultancy:** Advisory, audits, and compliance strategies
